

Worcester Mass. Sept 23 1887

Friend May

I have at hand duly
your notes of Monday and Wednesday
and return O. J.'s letter as requested.
He sent me seven letters re-
ceived in response to his Review,
and only one of them appears
to be addressed to you, the one
from Rev. Dr. Bamors (Presbyterian)
of Chicago. The others are from
Thos. C. Acton (former Police Com. of N.Y.)
Prof. Charles F. Richardson of Dartmouth
College, Prof. Moses Coit Tyler of Cornell,
Seth Hunt of Springfield, Prof. Alex.
Johnston of Princeton N.J. Rev. Richard
G. Green, East Orange N.J. Esq.
Clinton B. Fisk founder of Fisk Uni-
versity, Nashville Tenn. Judge James
Hutchinson of West Randolph Vt.,
Hon E. P. Walton formerly Member of Congress

from Wt. Rev. J. V. Himes, and
Jacob Heath of Salem, (Ohio.)
I have copied from them, the
remarks on this matter, con-
taining all family and personal
matters, and return the
originals to O. J. And I
shall keep these copies till I
find an opportunity to
read them, hoping to add
to the list, as I intend to
write to H. B. Sprague, H. A.
Dawes, G. S. Boutwell and
perhaps others, and shall
hope to get some response
from some of them.

Meanwhile I will procure
of Mr. Rice the necessary
copies to send as proposed to
those who have written to
Mr. Thayer, but have not from
Mr. Rice in whom I have called.
